## Recent Events

On 28<sup>th</sup> July 5 Morgans attended the Worstead Festival Vintage car show. A lot of interest was shown in the Morgans and they were well up there in the 'most desirable car' stakes.

A super day was had by all on 4<sup>th</sup> August at the scenic run and barbecue kindly organised by John & Debbie Flowerdew - made all the more exciting and interesting by the challenging weather! Everyone Maurice spoke to had only bucketfuls of praise for every aspect of the event (and particularly the food!) and John's devotion to duty at the BBQ grill during the downpour will long be remembered.

On 1st September Maurice & Eileen went on the WW2 Airfield Memorial Run organised by the Norwich MG Owners Club, covering over 100 miles in their 3-wheeler.

Photo by John Flowerdew who was at the finish (Seething Airfield where we ended up at last years Treasure Hunt) in his Alvis.

On 12th September 3 Mogs and 1 VW from the Eastern Counties made the trip to the Lake District to join

this year's Morgans at Windermere. The weather was typical for the NW, sunshine and showers which enabled easy pivot hood frames to come into their own. Folkmog members did well in the autotest, Richard Brown coming 2nd in the +4 class and David Kennett 2<sup>nd</sup> in the 4/4 class. See photo, right.

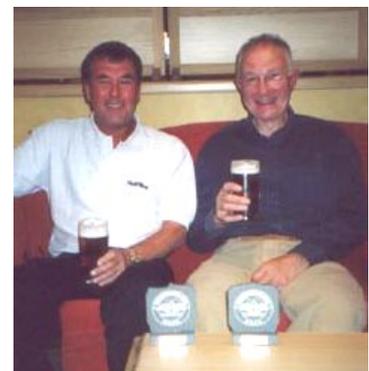

Many thanks to Martin and Helen Nicholls for the wonderful job they made of organising the Treasure Hunt on 22 September- it was splendidly devised, and enjoyed immensely by everyone. Part of the contest consisted of writing a verse and drawing a Morgan-related sketch. The final results, with Paul Luxford's winning sketch and Peter Smith's winning Limerick are overleaf:

Peter Smiths Limerick:

A bold Morganeer from the west  
Decided that topless was best  
His girlfriend was told  
But she thought it too bold  
And refused to let go of her vest!

On Sunday 13<sup>th</sup> October 28 people in 14 Morgans attended lunch at the Rose & Crown, Snettisham followed by a visit to Sandringham House; an excellent turnout which included several of our new

members, Paul Chesterman, with his Mog of 2 weeks, being so new Carol Kennett, who we were also delighted to welcome, now walking without her stick, hadn't had chance to send his details to Maurice yet. We were also pleased to see Ron and Gwen Worth from Lincolnshire, with their cream/brown 4/4. The weather was a little chilly but fine and only a few roofs were to be seen (ours being one)! Hopefully everyone arrived home before the rain which started later.

## Morgan Motor Company Challenge

Our local racers had a good day out at Silverstone on 5<sup>th</sup> October. James Paterson was 2<sup>nd</sup> (inevitably to Keith Ahlers, but ahead of all the other group A cars), Simon Orebi-Gan 5<sup>th</sup>, Chris Dady 6<sup>th</sup> and Leigh Sebba 11<sup>th</sup>. Overall positions after 9 of the 10 rounds are: James 2<sup>nd</sup> in Group B, Simon 2<sup>nd</sup> in Group C, Leigh 4<sup>th</sup> in Group C and Chris, after breaking his arm early in the season, 6<sup>th</sup> in Group C.

## Lunch and planning meeting – 10<sup>th</sup> November

As you will see from the side bar a lunch meeting will take place at the Scole Inn, Scole on Sunday 10<sup>th</sup> November, followed by a planning meeting for next year's events. This is not intended to set dates, but to get your ideas for events, outings, pub lunches and anything else you would like to see in next year's programme. Many thanks are due to Maurice and Eileen for all their time and effort put into arranging our annual program, but they can't do it all alone. This is your centre and your input would be much appreciated, so please make every effort to attend, and bring some ideas with you! Hope to see you there.
