27th April. It shows the cars lined up in front of Blickling Hall, near Aylsham.

In addition to our usual round of Sunday lunches and Tuesday evening noggins eleven MSCC members in six Morgans from the Plymouth Centre, OggieMog, visited FolkMog country in April. The photo is from Chris & Julie Jacobs who were amongst a good turnout of local FolkMog members at the scenic drive which took place on Sunday

We were treated to a thoroughly enjoyable technical talk by Chris Crane from RPI Engineering of Horsford, a small company specialising in Rover V8 engines, on May 13th. The evening became rather less formal after dinner when Chris carried on in the bar. We sometimes get criticized for being a lunching/dining club. I can't see anything wrong with that, but it was good to do something different. We had an excellent turn-out of members with 19 signing the book. Many thanks to Simon Rayfield for organising the evening for us.

Fakenham Classic Car & Arab Horse Racing Day

Fakenham Racecourse are holding a Classic Car and Arab Horse racing day on Sunday June 8th. As Helen Nicholls likes her horse racing she and Martin thought it sounded like a good day out and a chance to give their car a run. They wonder whether this would appeal to any other FolkMog members as it has all the ingredients of an enjoyable outing - and if there are enough people we could probably get a club spot in the classic car arena. Please contact Martin (tel: 01493 752998, or email: nicoandhel@ukonline.co.uk) direct if you would like to go and he will make arrangements.

Gymkhana cancelled

The gymkhana planned for June will not be held this year, partly because the MSA now requires a fee for issue of an exemption certificate for such events. Instead an extra evening meeting has been arranged for June 10th, unfortunately too late to get into the May Miscellany, but this should reach you in time. Details are to be found in the side box on page 1.

North York Moors Weekend – October 3rd to 6th

Sadly John & Debbie Flowerdew have left the MSCC, having sold Debbie's Morgan. They hope to return to the fold later if they can find a flat-rad coupé and enough time to play with it! In the meantime Maurice & Eileen have had to take over the organisation of the Yorkshire weekend in October at short notice. John & Debbie having dropped out, there is now a double room available for another couple – please contact Maurice as soon as possible if you are interested. We shall be staying at the White Horse Farm Inn in Rosedale Abbey. Maurice hopes to follow the successful schedule he put together for the Derbyshire weekend a couple of years ago; evening meals together, scenic run (we hope without David Kennett's fuel pump relay packing up this time!), lunch along the way etc. We also had a stop off at a stately home on the way back to East Anglia.

FolkMog Gallery

Last year I started to put together a gallery of FolkMog members and their cars, the idea being that it may help others to know who is who in our little group, and who belongs to which car! It will be a slow process as I don't get to attend as many events as I would like and, of course, the quality of printing is not the best. However, it is under way and here is the first picture to be published in FolkMog News. It shows David Kennett and Heather Ainsworth with their 4/4 at the Rose and Crown, Snettisham last year, prior to our visit to Sandringham House. If anyone has digital photos of cars & their owners they would like to share please send them to me at the e-mail address at the top of page 1.
